PATTERN

Knit 6 rounds in: Knit 2, Purl 2 in Main colour.

Change to the contrast colour and knit 6 rounds in: Knit 2, Purl 2

Change back to the main colour and knit 2, purl 2 for a further 6 rounds

First round: Knit in main colour

For the pattern you will need to have two strands of the contrasting colour. Each strand creates one of the zigzags down the sides of the sock. You should keep using the relevant strand of contrasting yarn for that part of the zig zag, you will find that you'll be moving the yarn back and forth over 3 to 5 stitches, depending on the place in the pattern.

Then start the pattern:

Note: When a contrasting yarn strand is completed – ensure you leave enough yarn to tie and weave in ends, just join another strand in the same place and continue the pattern.

Repeat these 12 rounds 5 times (or desired length of sock before heel).

For the heel you will just be using needles 1 and 4, needles 2 and 3 will be left with their 32 stitches on for later.

Set up 1 Needle 1 stitches knit

Set up 2 turn work and purl back across needles 1 and 4, we will just be working on these 32 stitches for the heel flap.

Continue the knitting on needles 1 and 4, the pattern on needles 2 and 3 until the foot measures 2 inches shorter than you want the finished sock. For the sock shown, Ladies size 5-7 UK, 40 rounds were completed after the gusset before starting the toe. (If you do have a different amount of rows don't forget to note this down as you'll require it for the sock's pair!)

Change to contrasting colour to complete the toe.

Toe

Round 1 Needle 1: Knit until 3 from end K2tog, K1

Needle 2: K1, SSK, Knit to end

Needle 3: Knit until 3 from end K2tog, K1

Needle 4: K1, SSK, Knit to end

Round 2 Knit

Repeat these two rounds until 40 stitches remain (10 on each needle), then decrease every round until 20 stitches remain (5 on each needle).

Knit all stitches from needle 1 on to needle 4, slip the stitches from needle 2 and 3 on to the same needle.

You should now have 2 needles with 10 stitches on each needle.

Use Kitchener stitch to bind off or turn inside out (being careful not to drop any stitches) and use a three needle bind off.

Ensure you tie a small, neat knot in the yarn and weave in the ends.

Then tie any contrasting colour changes and those where the contrasting colour was used for the ribbing, heel and toe ensuring to weave all the ends in to complete.
